

COOL CATS EVOLVE

Volume 9, Issue 23

December 7, 2011

Editor: Ron Lykins ron@ronlykins.com

Westmont High Interact Club ran our meeting this

month with **Caroline Williams** at the podium. Caroline told us of the projects the Club has undertaken and the stature of Interact, particularly in our District with over 2000 members attending the Interact

District Conference. **Eddie Peyton**

then took the podium and told us of his experiences as a Rotary Exchange Student to Switzerland where he lived with two different families over the course of the

school year and traveled

to many of European countries including Italy, Germany, France and Austria. Also

in attendance was **Cameron**

Baker and **Michaela Jose**.

This was an idea proposed by LGMRC

member **Chris Miller** who acts as Interact advisor to this group of spirited Interactors.

L-R: Cameron Baker, Caroline Williams, Chris Miller , Michaela Jose and Eddie Peyton.

Weekly Rotary Foundation Thoughts and Success Stories

Leaving your legacy through The Rotary Foundation. —The Rotary Foundation has helped touch lives all over the world by putting polio drops in mouths of children, digging wells so clean water is available for drinking and bathing, providing education opportunities, and much more. By becoming a member of the Bequest Society, you can help ensure that important projects like these continue in the future. If the projects and programs that Rotary completes *today* are important to you, then please become a Bequest Society member so that Rotary is *secure for tomorrow*.|| — *Rotarian Jean Waltke*
